The outcomes from Nutrition Dialogues will contribute to developing and identifying the most urgent and powerful ways to improve nutrition for all, with a focus on women and children and young people. Each Dialogue contributes in four distinct ways:

- Published as publicly available PDFs on the Nutrition Dialogues Portal
- Available as public data on the Nutrition Dialogues Portal "Explore Feedback" page
- Available publicly within a .xls file alongside all Feedback Form data for advanced analysis
- Synthesised into reports that cover which nutrition challenges are faced, what actions are urgently needed and how should these be taken forward - particular, in advance of the Nutrition for Growth Summit in Paris, March 2025.

Title Amplifying out of school youth voices on transforming school food environment in Zimbabwe

Date 08/01/2025

The dialogue was focused on understanding food environment around schools from young people who recently graduated from secondary school, exploring ways of transforming the environment and amplifying youth voices on how the Ministry of Primary and Secondary Education can ensure the school feeding programme meets the hunger and nutrition needs of learners.
